EDUCATION

Bachelor of Science in Microbiology
Oregon State University, Corvallis, OR

December 2018

EXPERIENCE

Administrative Intern - Nursing Operations
The Methodist Hospital, Corvallis, OR

May 2018 - Present

- Collaborate with two other interns to design a project focused on preventing hospital-acquired pressure ulcers
- Execute and monitor the prevention project on 7 patients aged between 45 and 85
- Learned project management skills and best practices in communicating with nurses, staff, and patients.

Intern - Community Engagement Department
South Shore Senior Resort, Beaverton, OR

June 2017 - August 2017

- Created an earthquake preparedness protocol for the facility with an emphasis on preparing the senior residence
- Conducted the first earthquake drill to ensure 200+ senior residences are familiar with the protocol
- Organized schedules of six community-based weekly events to ensure smooth event execution

Summer Undergraduate Research Program Intern
Oregon Health & Science University, Portland, OR

July 2017 - August 2017

- Designed two projects focusing on the use of estradiol as a therapeutic treatment on gap junctions following traumatic brain injury
- Created two abstracts and one poster showcasing project results to present in the annual summer intern symposium

LEADERSHIP ACTIVITIES

Vice President of Recruitment and Membership
Kappa Delta Sorority, Corvallis, OR

July 2017 - May 2018
